## REGISTRATION, DRILLING AND PLUGGING APPLICATION FORM

**Applicant must check one or more boxes as appropriate.**

**Well Drilling or Modification**

**Well Registration**

**Plug and Abandon** (Note: For a Plug and Abandon Application, the well owner or driller must also submit a Plug and Abandon Plan for District Approval.)

Please fill out this application as completely as possible, include the applicable fees, and return to the District office at the address above.

**Well Owner:** \_\_\_\_\_ **Attention:** \_\_\_\_\_

**Address:** \_\_\_\_\_

**City:** \_\_\_\_\_ **State:** \_\_\_\_\_ **Zip:** \_\_\_\_\_ **Phone:** ( ) \_\_\_\_\_

**Well Location and Proof of Ownership:**

Provide specific directions to well site. Attach a copy of the property plat and a copied portion of a USGS 7.5' topographic map, street map, subdivision map, or other small scale map with the well site accurately located. Deed or other proof of ownership may be required.

I hereby make application to the Barton Springs/Edwards Aquifer Conservation District for the purpose indicated above for the water well described herein, and I certify that I am the property owner or an Authorized Agent of the owner and that each and all the statements herein are true and correct, and that I will comply with District Rules, Well Construction Standards, and groundwater use permit and plan requirements. I hereby authorize the District access to this property to make any well inspections and collect water samples as necessary at the well location up to 90 days after the date the District is notified by the owner, agent or well driller that the well has been equipped with a pump, meter, sampling spigot, and is connected to electricity. Access after this 90 days is authorized following 72 hours advance notice or, in an emergency, immediately, with such emergency access reported to the owner if advance notice was not possible.
